We will have applications available at the Borough Hall and a table will be set up at Chesilhurst Day on June 9th if you want to retrieve it! We thank Coach Kenny Smith and Juanita Pressley for spearheading this event and definitely look forward to next year!

Summer Fun: To begin planning for the summer months please check out visitnj.org and find out about lots of FREE activities! Often times, vacationing is very expensive and a family of four can cost a fortune to entertain. I have easily spent over 100\$ for lunch and movies with my grandchildren and definitely need FREE ideas that are in my own neighborhood to save money and set realistic goals for the summer!

It's no secret I have always loved AC! One of the many suggestions on visitnj.org I plan on taking advantage of is the Atlantic City Historical Museum and walking along the Boardwalk. We love history and children need exposure to different things in their environment plus its family time which is always first and important! In addition, there are plenty of free concerts, exhibits and much, much more! So, be safe enjoy your summer and check out visitnj.org!
